

# Solar Insect Killer Lights

Frequency-Vibration Technology | Agriculture | 18-25W | 3 Models

## Key Features

- Frequency-vibration insect trapping — covers 87+ pest species
- Specific wavelength (365nm UV) attracts insects without harming beneficials
- LiFePO4 battery for 3-5 nights autonomy on single charge
- Automatic dusk-to-dawn operation with light sensor
- Stainless steel grid for easy cleaning and maintenance
- Applications: farms, orchards, vineyards, golf courses, parks

## BF-SIK-16 Series — Solar Insect Killer

Specification	BF-SIK-16-30W	BF-SIK-16-25W	BF-SIK-16-18W
Light Source Power	18W	25W	18W
Solar Panel	30W Poly	40W Poly	18W (integrated)
Battery	LiFePO4 25Ah	LiFePO4 30Ah	LiFePO4 15Ah
UV Wavelength	320-400nm	320-680nm	320-400nm
Runtime	6-12H/night	6-12H/night	6-12H/night
Control Mode	Light sensor auto	Light sensor auto	Light sensor auto
IP Rating	IP65	IP65	IP65
